

Harmony & Light

2026

A Christmas benefit concert at the historic Dallas Scottish Rite Cathedral —
two choirs, a silent auction, and an evening that pays for a student's year.

Know before you go

- **The silent auction closes at 7:00 PM**, when the concert begins — come early to bid.
- **Dress code:** relaxed or business casual — if you'd wear it to church, wear it here.
- **Tickets arrive by email.** Coming as a group? Ask us to seat you together.

The Cathedral

A 1913 landmark with a hand-painted auditorium and the acoustics to match — donated by the Scottish Rite, so the room costs the concert nothing.

- **Free parking** in the south lot behind the Cathedral.
- **Step-free access:** there is an elevator, and some accessible seating on the front row.

100%

OF PROCEEDS

Every dollar stays in Dallas

Texas Music and Arts is a registered 501(c)(3) nonprofit. Proceeds from Harmony & Light go to two local organizations:

- ◆ **Dallas Scottish Rite Library and Museum**
Scholarships and education programs for local students

- ◆ **Greater North Dallas High School Alumni Association Scholarship Fund**
Students, programs, and opportunities at North Dallas High School

Nothing comes off the top. Our Working Tool sponsors cover the operating costs and the Scottish Rite donates the Cathedral, so the ticket you buy and the bid you place go to the students — not to putting on the show.
